

## "A Song of Celebration"

### Curative Education 100 years

1. A tree was planted long ago  
a hundred years have passed  
come let us celebrate with song:  
The gathering has come  
the gathering has come!

2. A well of water at its roots  
it's got so many branches  
let's sit together 'round the tree  
united by its growing  
united by its growing.

*Chorus:* Oh, listen to the stream  
by day and in your dream  
the quiet stream of time  
is flowing on and on.

3. The tree has seeds and flowers too  
and fruits are ripening  
a gift so great we have received  
that nourishment is bringing.  
that nourishment is bringing.

4. So, thanks for food and company  
for times of joy and beauty  
and let us learn, create and work  
and grow community  
and grow community!

*Chorus:* Oh, listen to the stream  
by day and in your dream  
the quiet stream of time  
is flowing on and on ( x 2)  
is flowing on and on..
