

# Kaspar Hauser Festival 2024!

## KASPAR HAUSER HIS MESSAGE OF HOPE FOR OUR TIME!

**In-Person and Online Conference**  
**November 7 – 10, 2024 ~ Camphill Village, Copake, NY**

The Kaspar Hauser Research Circle of the Karl König Institute, and the Camphill communities of Columbia County NY, are hosting the 4<sup>th</sup> Festival for Kaspar Hauser on the East Coast of North America!

The Festival will go deep, in lectures given by Eckart Böhmer, Richard Steel and Carrie Schuchardt.

*'Kaspar Hauser: the Path of Sacrifice' by Greg Tricker*

We will see Richard Steel's new play, 'Kaspar Hauser: Rider of the Future'. And Kaspar's life story will be portrayed in a new play by Steven Steen, performed in puppet theatre. The arts will shine through Eurythmy, Music, Poetry, the dedication of the memorial Kaspar Hauser sculpture in Philmont, and the meeting of soul to soul - the Art of Conversation.

In this painting, Kaspar Hauser bears, with balance and equanimity, the weight of a heavy cross, standing in a boat that seems tiny and helpless on the swirling seas. Yet his boat stays upright! Could it be Kaspar's love for his horse, his love for humanity, that provides the power of Hope that keeps his boat steady upon churning seas?
